

Fresh Squeezed Orange Juice

Smiling Oranges

- We are a 30 acre citrus grove, nestled up against the eastern foothills of the San Joaquin Valley.
- We believe in doing our best at keeping nature preserved and growing things as naturally as we possibly can.
- We want you, the people to get a product that is as fresh from the farm as we possibly can get.
- We are a family working together to make a living and have as much fun doing it as we possibly can.
